5, Matters Arising from the Minutes

a) Update on Parish emails and new address system – Councillor Corne

This item will be carried forward to the next meeting.

b) Draft questionnaire progress – Councillors Durham and Bates

A draft had been circulated prior to the meeting and was ready for circulation to residents. Access to the form will be available on-line and from hard copy printed for completion by residents, to give a steer of future Parish requirements. Further discussion on circulation of the questionnaire will be decided.

c) Clearance of the ditch and fallen trees in Post Office Rd.- Councillor Lester

There was no progress made on clearance of the ditch as it required some specialist services and workers with a permit to work on the roadside. The fallen tree had been removed as it presented a danger to residents. Councillor Thomas wished to review his understanding of events leading up to the tree removal and choice of contractor to carry out the work. Councillor Lester left the meeting and discussion was terminated.

d) Councillor Thomas confirmed that during the August Parish Council meeting the issue was raised by Mrs Jones, concerning the appearance of an alternative Inkpen website, which was subsequently removed from the Web during the meeting. The owner of the website was an Inkpen resident.

Due to an unscheduled occurrence, the Chairman closed the meeting.

Meeting closed at 8.30pm
